Borobudur Temple

Borobudur temple is one of the most beautiful tourist resorts in Indonesia. It is situated in central Java. Borobudur temple is one of the Seven Wonders of the World which needs to be preserved its circumstances. People all over the world know that Borobudur is one of the greatest art works that ever known since long time ago. It has one big stupa and some small stupas at the top of the temple.

Borobudur temple was built by Syailendra Dynasty during the eighth century. It needed more than two million river stones. It is the biggest temple in the world.

After going into some restorations, Borobudur is visited by more and more tourists, both domestic and foreign tourists. Most of them admire Borobudur temple because of its beauty, its elegance and the story of the relief on its walls.

Domestic tourists usually go there by bus or private cars, while foreign tourists like to join travel because they don't need to think of the transportation, accommodation, and itinerary. There are some money changers around the location. It makes them easier to change their money. But some of them like to bring credit cards and checks

Social Function : My Fish

Identification : I have a fish. His name is Gupi and he is now 2 months old. My mom bought Gupi for me, because I had a school project about fish.

Description : My mom bought Gupi from her friend. Gupi is a type of betta fish, or people often call it ikan cupang. Gupi eats fish food, he cannot eat other food. Gupi has a really small body, but he has a very nice color which is purple and blue.

Language Features : Gupi is my favorite pet. Although he usually poops a lot, I still take care of him. Because he is small and very pretty, and never makes a fuss.
